Make & Take Workshop

Cost – \$20.00

Michele Kaunitz -
VINYL PIX STUDIO

Join us for a fun filled evening creating a color coordinating 3D papercut art box. It is important to note this frame does not have a glass front and is a lightweight wooden version that we will lightly sand then paint. While the paint is drying, we will assemble the Floral Welcome in the color theme of your choice! I will have paints and cut files in blue, purple, pink, mint, and coral themes available at the workshop.
